**RE: No Exposure Certification #4566-9003.R
Deco Manufacturing, Inc.**

Dear Mr. Ludwig,

The Department of Environmental Conservation has reviewed the No Exposure Certification for Conditional Exclusion from the Multi-Sector General Permit (MSGP) 3-9003 (NPDES# VTR050001) for the Deco Manufacturing facility located on 1637 Route 103 South in the Town of Mt. Holly; and has assigned the Certification Number noted above. No Exposure exclusion from the requirement for coverage under the MSGP is conditional. In order to maintain eligibility for exclusion, facilities with No Exposure Certifications must comply with the No Exposure terms and conditions of the VT MSGP 3-9003 found in Part 1.6 of the MSGP.

If circumstances change and industrial materials or activities become exposed to rain, snow, snowmelt, and/or runoff, then you no longer qualify for conditional exclusion from the requirements of the MSGP and your discharge becomes subject to enforcement and/or a citizen suit as an unpermitted discharge. If you anticipate such changes in your circumstances you should prepare a Stormwater Pollution Prevention Plan (SWPPP) and obtain coverage under the MSGP prior to such change of circumstances.

If you have any questions, please contact me at (802) 338-4882 or at matthew.probasco@state.vt.us.
